

Communications and Outreach

To: Candidates for County Commissioner

Subject: Requesting County Information

Thank you for taking an active interest in serving the citizens of Cabarrus County. At each election, we, the County, receive many requests for information from candidates. We believe this information should be shared with each candidate, just as we do for each commissioner who serves on the Board of Commissioners.

A section on the County website is available as an information resource for candidates. You can log on to www.cabarruscounty.us/elections/candidateinformation.html to access this information. This section will include information frequently requested by past candidates. In addition, as new requests come in, this information will be added for all to review. We recommend you bookmark this site and check back often for new items. You also are invited to sign up for a weekly e-mail newsletter detailing the latest County news. To sign up, click the link "Join Our Mailing List" at the top of any page on www.cabarruscounty.us.

If you have a need for further information not found on the County website, please call the Communications and Outreach Office at 704-920-2336. We will do our best to supply the requested information on a timely basis. If you do not have direct access to a computer, you may access the County website at a computer station at any one of Cabarrus County's four public library branches or at the Board of Elections office.

Sincerely,
Aimee Hawkins
Communications and Outreach Manager
