

Request for Qualifications for Asbestos Sampling at Jail

Project Description:

Cabarrus County would like to conduct an asbestos survey & sampling at the Jail located at 25 Corban Avenue in Concord, NC. The building is approximately 25,000 square feet. Design plans for renovations are currently being drawn and a survey would need to be completed before any actual renovations could take place. A complete report with all results (utilizing state approved testing methods) and accurate locations will be expected upon completion.

Qualifications and Proposal Requirements:

Proposals for qualifications relating to the above referenced services will be due to Cabarrus County by 3 p.m. on July 30, 2010. The responses should include the following:

- Firm name and location of the office from which the work will be performed. If the proposal is a combination of firms, please provide information for all parties involved.
- Identification of key personnel with appropriate contact information.
- Brief overview and history of the firm(s) proposed for the project.
- Examples of experience with similar projects including references for those projects.

Submission Information:

Submissions should be sent electronically to Kyle Bilafer at kdbilafer@cabarruscounty.us.

Additional questions may be directed to Kyle Bilafer, 704-920-3201, or kdbilafer@cabarruscounty.us.
